

KEY ATTRIBUTES

PERSONALIZED APPROACH

At Prakhar, each student is unique and is given undivided attention by its experienced trainers. The aptitude and potential of each student is analyzed and is matched with the level of training the student will undergo.

INTERACTIVE METHODOLOGY

The students are taught in a fun-filled and lively atmosphere which makes learning easy and effective. The students are trained to speak fluent English through a series of activities like guided conversations, vocabulary drills, audio-visual sessions and situational conversation techniques. Prakhar has introduced a unique method for the students to practice their speech based on the CLIC methodology.

WELL RESEARCHED & PRACTICAL PROGRAM

Years of research has been put into make sure all programs at Prakhar are relevant and practical, designed to bridge the gap between formal education and the real life. The students are provided with bi-lingual Grammar books and day to day worksheets based on the topics covered in the class.

ENGLISH IN YOUR POCKET

TATs - Talk-aid tokens form an important part of the courseware. These cards not only help the students in improving face to face conversations, but also functions as pocket dictionaries. They are also helpful in learning the right pronunciation and help you choose the right word at the right time.

AUDIO-VIDEO MODE OF TRAINING

For better memorization and output, Prakhar uses state-of-the-art audio-video medium to impart course teachings.

UNIQUE EVALUATION PROCESS

At Prakhar, nothing is left to chance. It ensures every individual gets the optimum scope to develop and enhance his / her spoken language skills. Its unique quality check mechanism interacts with the students at particular pre-established focal points to ensure desired progress and troubleshooting of speaking blocks.

BETTER SKILLS BETTER JOBS

ENGLISH: A GLOBAL LANGUAGE

Do you find it difficult to crack job interviews for lack of fluency in English? Do you feel left out in social gatherings? If 'Yes', let us help you achieve your goal of learning the skill. Prakhar Skill development Academy offers an extensive range of English Communication courses for beginners and advanced learners.

As we all know, English is a necessity for all to grow. It supports you to advance in your career and helps you in getting the desired job and earning better. Whether you are a student, professional, housewife or businessman, a good spoken language will contribute substantially to your success. Effective English speaking consists of correct pronunciation, choice of words and fluency.

There are many people in India who are highly skilled in their respective trades, but are unable to share their views effectively with others, just because of lack of communication skills and fluency in English. Effective communication is must for every individual to realize success today.

FOR WORKING PROFESSIONALS

Proficiency in English language is one of the few critical skills that employers look for while selecting a candidate for a job. Effective speaking and understanding enables a person to communicate the right thoughts with others. Better English can fast expand job opportunities, not only in India but across the world.

FOR STUDENTS

English language is commonly used by the academicians worldwide. Fluency in English can ensure bright future for a student, as it is must-to-have skill for getting admissions in top education institutions across the world. Most of these universities and institutes enroll through GRE, GMAT, TOFEL, IELTS, SAT etc., and English is an essential part of the syllabus.

FOR HOUSEWIVES

Child's academic growth is directly associated with parent's competency, since parents are the child's first and the most influential teachers. Parents do not want their children to lack in studies in this highly competitive world. To ensure development of the best academic environment at home, parents need to be proficient in English.

All you require to do is make short-term investment in acquiring skills in Spoken English & Communication Skills to get the long-term benefits. After going through the English Language Courses from Prakhar Skill Development Academy, you will:-

- ❖ Be able to enjoy English books, movies, newspaper etc.
- ❖ Feel comfortable & confident in joining social gatherings
- ❖ Get better job opportunities
- ❖ Improve your overall standard of living
- ❖ Be part of your child's success... and much more...
